

# RIVER OF COMFORT GIVING OPPORTUNITIES CATALOG 2018 -19

Your kind gift  
is an opportunity for an entire community  
to experience hope and dignity  
in very practical, meaningful ways.

# River of Comfort Ministry

was founded by Carol and Stephen Lentoror. Carol's heart was burdened for the elders of her community in Narok County, Kenya after an elderly woman was killed and eaten by a hyena while resting under a tree as she was out searching for food.

*Some current residents*

Carol started visiting shut-ins with bread, basic medical supplies and encouragement through the gospel of Jesus. These visits gave birth to the idea of establishing a residential and day care facility for the elderly, especially the homeless and abandoned of the community. She shared her vision with Stephen, and River of Comfort began.

### Building a Small Ranch to be Self-sustaining

Work has already  
begun on this project  
but we need more funds to  
**stock the ranch with animals.**

The River of Comfort ranch would provide food (milk, eggs, meat) for the residents and others in need in the community, as well as give the residents purpose and dignity in tasks to do each day as they care for the animals. The Maasai are cattle herding people and are skilled in animal husbandry. **\$5,000 will complete Phase 1 of the construction of the ranch.**

Provide food for monthly events for elderly (nonresidents) in the community. This meal on the premises includes hiring a cook and buying the materials to make a healthy meal as well as gifts of food for approximately fifty people. Many of the elders who come to these events are destitute and do not know where or when they will have their next meal. By feeding them well at the event, sharing the gospel, and sending them home with some dry goods (sugar, cornmeal, etc.), we are feeding people who desperately need nourishment.
